

# DATASHEET - S2 ZIP ANCHOR

The product has been designed to provide a cost-effective, reliable and simple solution for holding down:

- ▶ High Performance Turf Reinforcement Matting
- ▶ Landfill Rain Covers
- ▶ Waste Containment
- ▶ High Density Polyethylene Liners
- ▶ Grass Pavers and Concrete Filled Cloth
- ▶ Landscaping Fabrics

The S2 Zip Anchor is a low cost anchor solution installed with simple hand tools which can be used in a wide range of soils with ultimate loads of up to 50kg / 100lbs.

The system's unique design incorporates our T-Loc technology with a simple cable tie style adaption to provide a self locking load plate. It's easy to use and offers a much better alternative to traditional pins which are unreliable and easily pulled out.
